

CHURRASCARIA
BRASA
BRAZILIAN GRILL & BAR

Rodizio

Rodizio Style

Rodizio dining is like nothing you've tried before.

To do it properly, budget an evening – or at least a few hours – and come hungry! Your barbecue chef of the evening will come around with massive churrasco-style skewers, each with a tender cut-of-the-day. Meat will be sliced straight to your plate, and it won't stop till your table turns its card over to display the red side.

Side & Salad Bar

The side and salad bar is part of the Rodizio & Plates service. We have an extensive selection of hot dishes and salads that complement your favourite cuts of meat. We are always creating new seasonal dishes.
